DETAILED ACTION

1. This Office Action is a response to communications dated 3/31/05. Claims 1-24 are pending in the application.

Information Disclosure Statement

2. The information disclosure statement filed 3/31/05 complies with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609. It has been considered and placed in the application file.

Terminal Disclaimer

3. The terminal disclaimer filed on 3/31/05 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Application Nos. 09/271,011 and 09/131,141 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

4. Claims 1-24 are allowed.

5. The following is an examiner's statement of reasons for allowance:

The prior art of record, considered individually or in combination, fails to fairly show or suggest a claimed method/apparatus/computer program, comprising, among other limitations, a novel and unobvious limitation of assigning frame pointer values associated with data packets being used to determine an order according to complete

reception of data frame as it is promoted, structurally and functionally interconnected with other limitations in a manner as recited in claims 1-20.

Limitation of "a receive buffer from which packets of data are promoted in an assigned order based on pointer values with priority given to pointer values in the first pointer value buffer", structurally and functionally interconnected with other limitations in a manner as recited in claims 21-24 is deemed to be novel and unobvious over the applied art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
